We understand that choosing the right treatment for you can be confusing. Our experienced therapists will advise you about the most suitable course of treatment for you.

We offer all clients a free consultation prior to any treatments.

Cancellation policy: missed appointments or late cancellations (less than 24 hours) impact our ability to provide a good service for our clients and will therefore incur a charge.

We accept most major credit/debit cards, cash and cheques.

FACE & BODY

Advanced AHA Prescriptive Facials

Lactic Acid based peel combined with your recommended home care products, increases hydration by 70% in just 4 weeks; 30% collagen improvement in 3 months and accelerated cell renewal. Improvement of fine lines, dryness and dull skin in one treatment.

Suitable for all skin types including Rosacea £45

VITAGE Vitamin C Facial

Firms, heals, improves acne scarring and promotes healing. Hydrates, reduces open pores and instantly brightens skin. Includes arm and hand exfoliation.

Suitable for all skin types £48

VITAGE Antioxidant Lifting and Firming Facial

Deep cleansing enzyme mask, speeds up cell metabolism and removes dead cells. Leaves skin radiant, energised and firmer. Includes arm and hand exfoliation.

Suitable for all skin types £48

Light Fusion

Combat ageing, hyperpigmentation and redness using the unique light delivery method that promotes the body's natural healing response. Clinically proven, can be used a stand alone treatment or to enhance other skincare treatments.

A course of 4 is recommended

Single treatment £40

Treatment Add on £25

VENUS FREEZE Treatment for face and body

Reverse ageing with painless radio frequency and magnetic pulse technology that naturally delivers long term increases in collagen production and stronger elastin fibres to tighten skin, reduce wrinkles, sharpen the jaw line, tighten neck skin, reduce body fat and cellulite.

Clinically proven and suitable for all skin types, with no down time. A minimum course of 6 is recommended.

One treatment £75

GENIE Take 10 – The 10 Minute Non Surgical Face Lift

The 'personal trainer' for your face! The 10 minute treatment lifts brows, corners of the mouth, enhances cheek bones and sharpens the jaw line. Reduces fine lines, giving a more youthful glow.

Course of 10 treatments, 2-3 times a week £280

GENIE Slimming and Toning

Immediate results, targeting specific areas to re-shape, slim and tone tummy, bottom and thighs. Controlled muscle contractions strengthen and improve muscle tone.

20 minutes of treatment is the equivalent to 360 sit ups!

Course of 10 treatments 2-3 times a week £290

Nordlys By Ellipse

For the first time in aesthetic history, Ellipse has introduced a system that delivers new shorter pulses, making treatments more comfortable and effective. Receiving FDA and CE Mark Clearance, light based technology has been taken to the next level.
